## AROMA PLUS V 2.0

**HUSSAR AROMA PLUS V 2.0** is an e-cigarette that combines convenience and reliability in an elegant design. It contains 20 mg/ml of nicotine, delivering a satisfying experience with every puff. Equipped with 2 ml of liquid and a 500 mAh battery, it ensures long-lasting use without frequent recharging. Thanks to the replaceable POD, you can easily customize the device to your needs, while the battery level indicator keeps you fully informed about its status. Perfect for those seeking a stylish and functional everyday solution.

Try HUSSAR AROMA PLUS – **feel the difference!**

LIQUID <b>2 ml</b>	MESH COIL
