

LIQUID

HUSSAR SALTS

*Crafted with only the highest Quality Ingredients.
Stepped for Complex & Rich flavor.*

Liquid *for e-cigarettes*

HUSSAR SALTS is a blend of excellent taste and functionality. The liquids are enclosed in distinctive black bottles with a convenient dripper, making it easy to refill your e-cigarette with precision and ease. Each drop is a carefully selected composition of flavors, available in three unique collections:

PURE LINE – refreshing, juicy fruit flavors that bring a wave of freshness with every puff.

CREAM LINE – dessert-inspired flavors such as cookies, cakes, and caramel, ideal for sweet treat lovers.

TWIST LINE – unconventional flavor combinations that surprise with their intensity, from tangy notes to unique flavors like Beer and Red Hot.

HUSSAR SALTS guarantees unforgettable taste sensations in a practical and elegant form.

CREAM LINE

A collection created for those who love dessert flavors. Each liquid in this series offers rich, sweet notes inspired by baked goods and sweets, such as crispy cookies, caramel, and vanilla desserts. It's the perfect choice for those who appreciate warm, comforting flavors and want to add a touch of sweet pleasure to their vaping experience.
